

## Elleena Chung

Mrs. Elleena Chung hails from the lovely island of Dominica in the West Indies. She is a Business Coach/Analyst., who is dedicated to helping people develop productive business behavior. Her studies in Finance and Psychology have helped provide the educational foundation needed to help others map their problems and zap their problems. She has earned Bachelor's Degrees in Psychology and Finance. She has also earned a Master's Degree in Human Services Counseling.

Elleena has launched 5 companies, which comprise the FAVA Group. The main mission of all her companies is "Empowered Value, Empowering Value. Her goal is to empower value one individual at a time.

FAVA Festival was birthed to empower Value, while fighting against human trafficking, the modern-day slavery. Elleena Chung is also a Singer/Songwriter who lives to release the melodies downloaded by God to empower value Her life of worship is the foundation for everything she is and does.
